

Re: Report on SCUM Conference 2010:

Thank you again for allowing us to represent First Church at the annual conference this year. It is always an honor and privilege to be a part of the policy making process.

We benefitted from excellent worship services and fine music and witnessed both the retirement service of our District Superintendent Quay Adams and the ordination service of new pastors and elders coming into the ministry of the church.

The conference passed a rather conservative budget, trying to keep in mind the trying economic times. The reports and services of recognition were inspiring.

Most fulfilling was the Day of Service during which most of our delegates participated in filling boxes to be sent to the service men serving our country.

We are pleased to announce that there will be no changes in the ministerial assignments to our church.

Respectfully Submitted:
